

**Guidelines for Image Acquisition Labs Reports
Sensors & Digitization**

2013

Follow strictly these guidelines

If you do not follow these recommendations your report will not be taken into account.

Your report should be 4 to 6 pages maximum

It has to mention on first page :

- names
- group
- date
- number of lab and title

Submit only one report per group of 2 or 3 people.

Submit a hard copy when you attend to the following lab session.

Reports can be printed in the Image Acquisition Lab - A network printer is available on each computer
